INTERNATIONAL SUMMER ACADEMY

SUMMER 2025

UNIVERSITY OF TORONTO

Established in 1827, the University of Toronto is one of the oldest and most internationally recognized universities in North America. Ranked the top university in Canada by the Times Higher Education World University Rankings, the QS World University Rankings and the ShanghaiRanking's Academic Ranking of World Universities, the University is a world-class institute with over 99,000 students, including more than 29,000 international students.

New College

New College is one of seven colleges at the St. George Campus and it will be home to many students from our programs. Living in residence provides students with a unique opportunity to immerse themselves in a global community and to gain confidence speaking English with other students and program staff. Residence is included for our younger students and as an optional add-on for our adult students.

International Programs

The International Programs Office provides unique learning opportunities and programs aimed at addressing complex issues international students face in university transition, language learning and cultural immersion. The International Programs provides high quality enrichment, transition, and preparatory programs to prepare international students for success.

TORONTO, CANADA

The City of Toronto is the best of all worlds. Its multicultural population, which speaks over 150 languages, makes it one of the most exceptionally diverse cities in the world, and provides the perfect setting for global immersion. Ranked one of the most liveable cities in the world*, Toronto attracts the best and brightest who come seeking world-class business, culture and education.

The International Programs also organizes optional activities and trips for all students. Through many social gatherings, sightseeing trips, and fun activities, students will have the opportunity to get to know the city of Toronto.

INTERNATIONAL ENGLISH PROGRAM

The International English Program (IEP) offers students (18 years and older) the opportunity to study English with people from over 30 countries. With courses offered at all English levels, the IEP provides customized educational, social, and cross-cultural experiences to develop a sense of belonging in a global community while improving English language skills.

With courses like English for Global Business or General English Course, students can choose the most relevant course for their individual English goals.

Perfect program for:

- **professionals** looking to add **Business English** to their skillset
- students looking to **build university-level English skills** for future studies
- community members looking to **expand their international network** and gain **cultural experiences**

PRE-UNIVERSITY PROGRAMS

Global Citizenship Program (GCP)

Over the course of three weeks, students will explore different elements of global citizenship and discover their place in an interconnected world. Through a variety of teaching methods, lectures, and hands-on activities, students will develop leadership and communication skills that build a global perspective. With a greater understanding of global citizenship and the tools to act, the program will empower students to engage within their own communities and contribute to the building of a more global society.

Advanced Academic Program (AAP)

Students will be integrated in an English language environment at Canada's top university and learn about, analyze, and explore a range of concepts related to the subject they are taking. The courses, such as World Economics or Law, Ethics & Society, will culminate with an independent research project and academic presentation. The Advanced Academic Program engages and challenges students through individual and group work in specific subject areas typical of a Canadian university.

The Global Citizenship Program and the Advanced Academic Program are all-inclusive programs that include residence, activities and more. Please visit our website for more details.
